Peter Lighte: *"The Old Horse Knows the Way"*

Friday, July 22nd, 7:00 pm

It is impossible to understand China's present—let alone its future—without grasping themes that have ricocheted through time from the distant past. Having studied Chinese history and philosophy and putting it to the test when first living in Beijing during the early 1980s, Sinologist Peter Lighte, 'The Old Horse', helps us to see the way forward.
